

Pegram United Methodist Church is consistently involved in ministering to others. However, two of the main, year-round missions that we do are the following:

The Fuel Program

This program weekly sends home a bag of substantial snacks for children in need at Pegram Elementary School. This food is designed to assist families with food for their children when they are not in school to receive the breakfast and lunch there. Food is purchased in bulk and individual bags are assembled and then delivered to the school to go home over the weekend. These bags include items such as pudding, trail mix, juice boxes and individual cereal boxes. When school is out for holidays and breaks, additional bags are sent home.

BBB Program

The Blessings Behind Bars program is designed to minister to persons who are incarcerated. Books, cards, and letters are sent to the prisoners throughout the year. Jesus said we were to tend to the least of these (Matthew 25) and he included those in prison.

If you would be interested in being a part of supporting these ministries or any of the other ministries of Pegram UMC (back to school supplies, ARK Christmas gifts, and helping those in need as issues arise), checks may be sent to

Pegram UMC

P. O. Box 321

Pegram, TN 37143

If you have questions or concerns, please call the church 615-646-6033. Leave a message and your call will be returned.

We would love the opportunity to be in ministry with you!!!!
